Update Contact Information

The Update Contact Information form is for those who associate themselves with this movement and would like to share their contact information, or update their contact information, with Biblical Christian Solutions In Government (BCSIG).

Thank You for your participation and/or association - it truly makes a difference.

If you already participate through financial giving, you will only need to use this form if you would like to update your contact information. Those who use this form or give financially will automatically receive communications from Biblical Christian Solutions In Government, including our Newsletter and Email Updates.

Note: If you are currently receiving our Newsletter or Email Updates, and would like to no longer receive these, please visit the Newsletter and Email Updates page to unsubscribe your email address, or use the No Newsletter or Note field below, so we can assist in honoring your request

Note: If for some reason in the future you would like us to permanently delete your contact information from our records, with the exception of your name if you have participated through financial giving, please use the note field below - or use the contact form - to let us know so we can assist in honoring your request (where law allows).

Our information policy: Your name and email information will be used by BCSIG and possibly by partners of BCSIG. Please let us know if you do not want your name and email information shared with partner organizations. Your giving and pledge information will not be shared and will be kept in confidence, where law allows. Your information will not be sold.
